Cosmetics

History

In 1967, Dr. George Amin established **Luna Co. for International Trade** which was merged later into **Luna Industrial Investments** in 1995, a joint stock company specializing in raw material trading for pharmaceuticals, food and technical industries.

For further expansion, a new affiliated company was founded in 1996 under the name of **Luna Trading Ingredients** for Food and Chemical Industries located in Al-Amriya Free Zone, Alexandria, Egypt.

Throughout its history, Luna has always been a reliable partner in the pharmaceutical industry in domestic and international markets, and remains open to all new cooperation opportunities with global pharmaceutical companies.

Business profile

Luna Industrial Investments is the leading supplier of multinational, private and state sector pharmaceutical companies in Egypt. It also provides industrial food companies with all their needs of raw materials through tenders or direct supply. The company is also positioned as a prominent supplier of flavors and fragrances.

Luna Industrial Investments focuses on importing, exporting and distributing a full range of specialized raw materials, intermediates along with flavors and fragrances for pharmaceuticals, food additives, oil, soap, detergents & cosmetics in addition to pharmaceutical packing materials and state-of-the-art machinery.

Luna Trading Ingredients for Food and Chemical Industries is located in the free zone in Alexandria. It ensures the complete safety and proper storage of the entire range of chemical raw materials and packing materials in order to cater to the needs of our customers through the prompt supply of their needs in the Egyptian, Middle Eastern and African markets.

Business strategy

Our Vision

Our fortune is focused on being one of the global agents in the pharmaceutical, food, cosmetics and industrial raw materials. Our vision is to create and deliver breakthrough innovations that help people live safer and healthier lives. We've committed ourselves to achieve that vision by delivering superior quality products, hallmarked by excellence and integrity.

Our Mission

Our mission is to contribute material value to our clients and to help them establish strong, successful and long-term positioning in the market. This is achieved by sourcing high quality products at competitive prices and assured timely deliveries for complete customer satisfaction.

Our People

Our 130 employees are those who keep us on the cutting edge of our superior customer service and advanced discoveries. To sustain and enhance our leadership position in the pharmaceutical industry, we continue to recruit, develop and motivate individuals whose skills, values and work ethics will grow and improve our business.

ISO Certification

The established system of quality is one of the key foundations of Luna's business success and unparalleled growth. That was confirmed by the American Systems Registrar, LLC - a provider of third-party system registration and accredited by the ANSI-ASQ National Accreditation Board- which has attested that Luna Co. for Industrial Investments has established a quality management system that is in conformance with the international Quality System Standard **ISO 9001:2008**.
